Product Description

VR 360 Rotating Dynamic Motion Chair With 360 Rotating Games

Production Introduction:

u Games will be updated regularly for free.

u The world's first three-axis dynamic platform independently developed by Yihuanyuan, replacing the traditional three-axis dynamic platform with a better dynamic experience.

u The world's first all-aluminum alloy used to produce a dynamic platform with Space vehicle appearance, tiny and exquisite equipment, a small footprint, and the ability to be used at home.

u Match pico neo 3 VR glasses, use the latest streaming program, experience better VR game content, have higher clarity and smoothness, make the effect more real.

u No computer required, less failure, less after-sales problems.

u No control table required, just use the Microsoft Surface Go tablet to operate simply.
