2. Low investment & fast return in 1-1.5 months
3. self service by coin acceptor,save much salary cost
4. small wooden box packing only 1.6cbm, save much shipping cost

And more...

## CUSTOMER EXPERIENCE

### Guangzhou Yihuanyuan Electronic Technology Co., Ltd

Established in 2016, it is located in the animation industry base of Panyu, Guangzhou. Our company focuses on the technology development, application, innovation, production and sales of virtual reality equipment. It is equipped with large factories and Exhibition halls, and has dozens of experienced professional R&D personnel in the industry. Adhere to self-developed VR equipment, exclusive copyright VR content and personalized needs of the program, to provide all types of customers with "efficient, sustainable" one-stop VR business solutions.

**We warmly welcome the customers from all the world to visit our factory and company,  
you can see the R&D innovation capability,  
we are committed to making market-leading products for our long-term cooperative partner.**

#### Why Choose Us?

1. The actions of the Simulator mostly matched the movie motions, you would get it once you try and play it;
2. Each line inside the base is marked with numbers for the best after-service;
3. Best quality on the hardware, to make sure player's safe, for example, the thickness of the base iron, we would do it with 2mm, while some may do only 1mm thickness;
4. Rich game/movie sources, also with some we buy it specially for players;
5. After-service by professional technician, who is involved in R&D, and 24hours online.
