Why Choose Us?

1. The actions of the Simulator mostly matched the movie motions, you would get it once you try and play it;
2. Each line inside the base is marked with numbers for the best after-service;
3. Best quality on the hardware, to make sure player's safe, for example, the thickness of the base iron, we would do it with 2mm, while some may do only 1mm thickness;
4. Rich game/movie sources, also with some we buy it specially for players;
5. After-service by professional technician, who is involved in R&D, and 24hours online.

We warmly welcome the customers from all the world to visit our factory and company, you can see the R&D innovation capability, we are committed to making market-leading products for our long-term cooperative partner.
