Additionally, customized simulator is also welcomed, because a leading R&D department with about 10 Research staff could meet all your needs on 9D VR.

Expect to have your inquiry.

We warmly welcome the customers from all the world to visit our factory and company, you can see the R&D innovation capability, we are committed to making market-leading products for our long-term cooperative partner.

FAQ:

1. Do you have any Certificate for the VR?

Yes, our VR have CE, ROHS, SGS... If you require any additional certificates, pls tell our sales team, and we will help to get them.

2. What's minimum order and how long will you ship ?

The minimum order is 1pc as normal, we will deliver in 7 working days after receiving deposit, and receiving the balance then can arrange the delivery.

3. The Voltage is different in our country. What should we do?

Don't worry. We can make it in 110V-220V to meet your standard.

4. When will you update the games? Will you charge or free?

We will update the games every month, and it is free for you.

5. Do we need to install VR when receive it ?

We already assembled well the machine before delivery, which no need the installation, means when customer receives the goods, just follow our attached user manual, and plug the power and open all computers, then it can work smoothly.

6. How about the shipping?

- A. EXW trade term, you should arrange the shipping and take the goods from our factory.
- B. CIF trade term, we will arrange the shipping and loading to your port.
- C. Air or sea transportation, all are according clients' request.
